“ Fascinating games for the youngest members of the family!

GAMES FOR CHILDREN

OVER THE YEARS, Tactic has created and produced many successful games for children. Our games have been applauded for being both educational and entertaining, and they have won multiple awards worldwide. In 2012, Tactic introduces several new games for children, all of which continue the classic tradition of social board games. *Colourful Caterpillars* is a charming board game, in which children learn colour recognition by matching the caterpillars with the right colour on the board. *Cat's Pajamas*, on the other hand, takes your children to a crazy pyjama party, where they learn about colours, patterns and matching, while helping the silly cats take off some extra layers!

With our *Lotto series*, children try to fill their picture boards with colourful fruit, cute farm animals and some very cheeky monsters! The games help children develop their logical thinking, of course while having lots of fun!

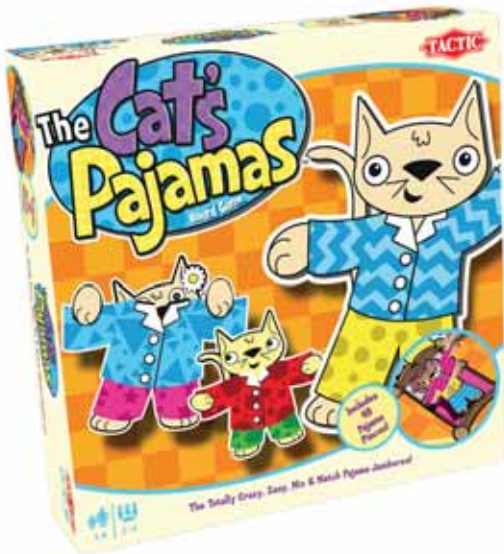

COLOURFUL CATERPILLARS 40394

THE COLOURFUL GAME OF LUCK AND WIT!

In this cool colour matching game your aim is to place caterpillars on the game board. If the colours visible from the game board match the colour of the caterpillar's body, you have found a correct spot for it. The first player to place all of his/her caterpillars on the board wins the game!

The game contains two game boards and difficulty levels. In the more challenging version, the naughty bogeybugs affect the course of the game. Hide one and you can add an extra caterpillar on the board!

CAT'S PAJAMAS 40413

GAME OF COLOURS, PATTERNS AND SHAPES!

Cat's Pajamas is a game that children will love! The silly cats have put on too many pairs of pajamas and now they're feeling hot. Your job is to help the cats by moving around the game board and removing some of their layers as you go along. Match the right colours, shapes, and patterns, and you can win the game!

Cat's Pajamas teaches children colour recognition in a hilarious, innovative manner. No reading is required, so the game is perfect for the youngest members of the family!

NEW

OUTDOOR GAMES

CREATE UNFORGETTABLE MOMENTS with friends and family this summer with Tactic's inspiring range of outdoor games! Our aim has been to create outdoor games that can be enjoyed by everyone, regardless of age or experience, so join in on the fun and make this summer one to remember!

We are introducing several new games in this category this year. Experience the outdoor game of the Vikings with **Kubb** – a Scandinavian classic! **Mini Mölkky** will enable you to bring this great game with you – anywhere you go!

Tactic's brand new **Angry Birds Action Game** brings a touch of digital magic to your summer, as the birds have now transformed into a hilarious action game!

Creating our outdoor games range, we have made an attempt to be as ecologically aware as possible. For example, **Mölkky**, **Pölli** and **Kubb** are all manufactured using wood from sustainable Finnish forests which have been awarded the PEFC certificate. No chemicals or toxins are used when producing these outdoor games – they are 100% natural!

MÖLKKY 40268

#1 OUTDOOR GAME IN EUROPE!

Mölkky is an outdoor skittles game in which success is based on a combination of chance and throwing accuracy. All you need is an outdoor space – a garden, a park, or a village green – a few friends, and a set of Mölkky pins. The first player to knock down 50 points worth of wooden pins wins the game!

MÖLKKY MINI 40436

NOW YOU CAN PLAY MÖLKKY INDOORS!

Mölkky Mini is a handy pocket version of the popular outdoor game! Easy to take along for any trip, Mölkky Mini's only difference from the original Mölkky is its shorter throwing distance and its smaller size. It is the perfect travel companion!

KUBB 40277

THE OUTDOOR DUEL OF THE VIKINGS!

Kubb is a popular outdoor game in which the object is to knock over wooden skittles by throwing sticks at them. Knock over the skittles and the King, but be careful – if you knock over the King before all the other skittles are down, your opponent wins. Kubb can be played either in teams or individually.

NEW

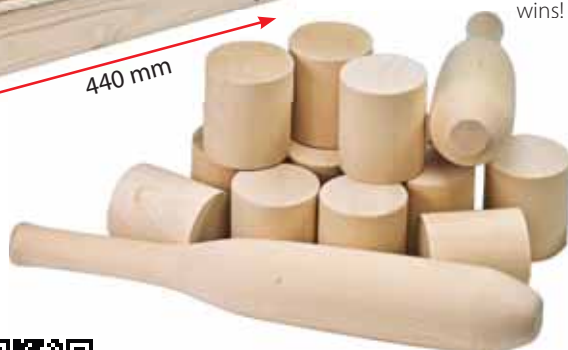

PÖLLI 40449

GREAT OUTDOOR TEAM GAME FOR FAMILIES!

The idea of Pölli is to score 25 points by knocking log cylinders (or pöllis) out of a circle. Points are written on the bottom of each pölli, but the twist is that one player can only know the value of one of the them. Pölli is packed in a handy carrier tube that you can take along on any trip!

KYYKKÄ 40093

TRADITIONAL OUTDOOR GAME!

Kyykkä is a centuries old outdoor game from Finland, and it can be played in teams or individually. Try to bat down the opposing team's skittles with a large wooden bat. If you manage to fling all of them out from the opponent's game square, you have won the round. The team that collects the most points wins!
