TACTIC'S OUTDOOR RANGE – A Whole Range of Great Wooden Games!

OUTDOOR FUN FOR THE WHOLE FAMILY!

The aim of Tactic's Outdoor Games range is to produce fun outdoor games without age or fitness restrictions, and to offer family games suitable for most outdoor spaces. Mölkky has already become a huge international success, and together with Mölkky Tournament, Mölkky Junior, Kyykkä, and Pölli, it forms a group of exciting outdoor skittle games. XL Yatzy is an outdoor version of a classic family game and Mölkky Mini and Mölkky travel are for indoor use.

What is noteworthy about the whole range is its ecological friendliness. All products are made using wood from sustainable Finnish forests. No chemicals are used when producing these outdoor games.
