

TACTIC PRESENTS **DISNEY BOARD GAMES**

My First Alias

Word-explaining Fun For the Youngest Generation!

For years, Alias has maintained its popularity. Now there's a brand new extension to the family of Alias games – My First Alias! The rules are simple – explain the word on the card, and move forward with the player who correctly guessed it. There's no easier way to help your children expand their vocabulary and learn about interaction!

Planes Power Cards

It's Time For Power Cards

Get your cards ready for the race of the century! If your plane flies higher than the others, or has the biggest wingspan, victory may be closer than you think!

Planes Kimble

A High-flying Board Game!

Fly your planes around the track quicker than all the other players, and you could be crowned the winner of the great race in the sky! Kimble is a board game classic, which entertains children and grown-ups equally. The rules are simple, but play is never boring as on the track – anything can happen!

Planes Action Game

Zoom Straight to Victory!

Look out for other planes in the sky, and mind the rocks when landing. It's your job to make Dusty land in all the right locations around the world, and if you finish the race before the others, you win! Aim carefully and use strategy to make the game trickier for the others. May the best plane win!

Minnie Bingo

A Bow-tiful Bingo!

Travel and play in style with Minnie Mouse! Take turns pulling bows out of the bag and see if you can for a bingo! This game comes in a pretty bag, that stores the game at home and on longer travels!

Winnie the Pooh My First Yatzy

Winnie the Pooh Kimble

The Favourite Classic Family!

Join Winnie the Pooh and his cute friends for a classic game moment! Move your four playing pieces around the game board and to the Finish area. Be careful though: someone might capture one of your playing pieces and you may have to move around the entire game board again!

Winnie the Pooh Bingo

Did You Get a Bingo?

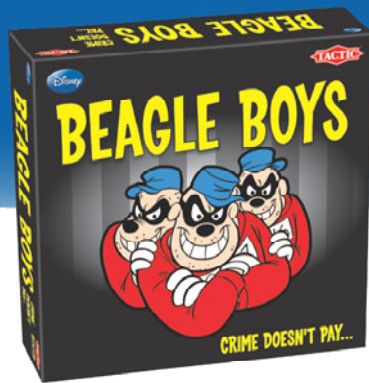

Pick up a tile and look for the picture on your bingo board. Who is the first to get five pictures in a row and shout out "BINGO"? This lovely game is full of familiar characters, and play is entertaining and full of excitement – even for the youngest players!

Monsters University Power Cards

Who Is the Most Powerful?

You'll struggle to find cooler cards anywhere! Whose cards have the best values and who turns the game around when you least expect it? These great Power Cards are full of the funniest characters around, so look no further for your next favourite game!

Beagle Boys

Join the Meanest Criminal Gang in Duckburg!

The most infamous criminal gang in Duckburg is loose and making all sorts of mean plans. Join the gang and scheme your way to the top! The Beagle Boys game has been designed together with the makers of Donald Duck cartoons! Any fan of Donald Duck and his friends will love this exciting game!

Donald Duck Board Game

Make Your Way Through Duckburg!

Donald Duck Board Game combines trivia and adventure games in a fun way! The aim of the game is to attain Uncle Scrooge's number one dime and return it to his Money Bin. Each character has their own route, and you must visit all your locations before returning the dime. Answering trivia questions speeds up the way!

Uncle Scrooge's Business Game

Make a Million and Win the Game!

Magica De Spell has put Uncle Scrooge under her spell, and now Duckburg is full of Scrooge's clones! Prove that you are the real Uncle Scrooge by being the first player to make a million. Make money in the gold mines of Klondike and at the Billionaire's Club. Keep an eye on the other players' cards to avoid nasty surprises!
