CLASSIC GAMES  
FULL OF POWER!

These games may be small, but they are full of Beyblade power! With game parts made of high quality card board and amazing illustrations from the world of the Beyblade Shogun Steel, they are classics with an exciting twist.

THE RACE IS ON!

Kimble is a true Tactic classic, which has been transformed into something entirely new with a bit of Beyblade magic! Move your pawns around the game board and look out for the other players' pawns on the way. You'll not find a cooler board game for 2014!
