100th Anniversary Puzzle

This celebration puzzle features one of Tove Jansson's most famous works! Putting together this 1 000-piece puzzle is the perfect challenge for any Moomin enthusiast!

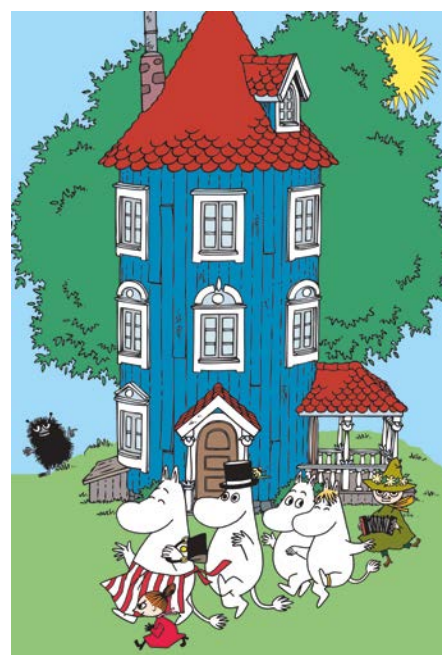

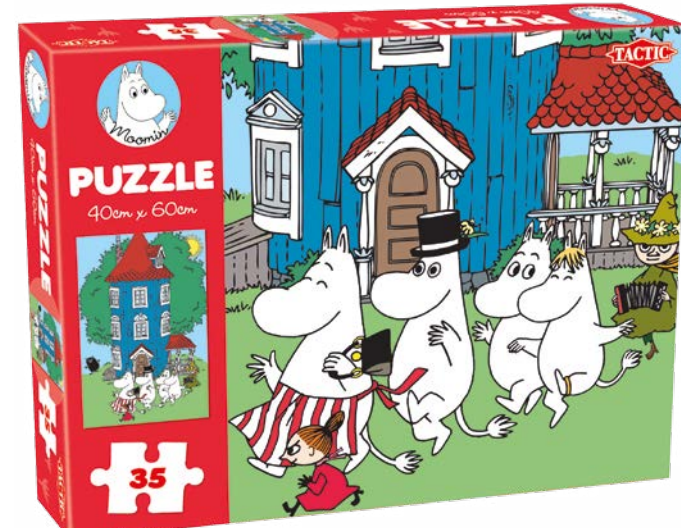

100th Anniversary

The story of the moomins began from the pen of the Finnish painter and author **Tove Jansson** in 1946, and since then it has turned into a global brand. The original Moomin books have been published in over 40 languages and the 1990's animated series has aired in over 124 countries.

2014 marks 100 years since the birth of Tove Jansson and will see a celebration of her work, including the release of a brand new animated film *The Moomins at the Riviera* as well as a BBC documentary on the life of the great lady.
