TACTIC GROUP

Tactic Group is an international, growing and successful group of companies. Our success story started in Finland in 1967 – our growth has been continuous and profitable ever since. Today, Tactic Group is one of the strongest, most productive and fastest-developing marketers of board game products in Europe.

Tactic Group's own distribution network ensures the use of in-house manufacturing and utilization of sustainable resources. We distribute our products to more than 70 countries all over the world, and are continuously looking for new partners and marketing channels. The wood and the cardboard originates from sustainable sources, and the vast majority of our games is produced in Finland, EU.

All stages of the manufacturing process are important when producing a successful game. The quality and the functionality of all games are essential to us, and the Scandinavian manufacturing ensures superior quality in all our products. Additionally, our production guarantees regular and punctual deliveries, and flexibility when needed.

In addition to our effective in-house manufacturing, the quality of our products is guaranteed by strong product development. As a result, interesting and innovative new products are introduced into all our game categories on an annual basis. We follow the latest trends, which gives us the possibility to produce exciting new games alongside well-known game classics. Our wide selection includes fun and entertaining products for players of all ages, from toddlers to adults.

We are very aware of our responsibility to provide products that are both safe and of a high standard. To us, quality and safety are of the utmost importance.

Tactic's goal is to be number one in board games through...

- outstanding **price-quality** ratio in all our games
- the best possible **entertainment** for players of all ages
- fresh and exciting **new games** as well as well-chosen selection of **classic games**
- the right balance between elements of **luck and strategy** in our games
- creating the feeling of wanting to **play again and again**

BAA, BAA WHITE LAMB

Reach into the bag to find the right clothes for the characters on your collection base. The first player to find all the clothes and their own lamb is the winner.

- The game is based on a tactile element, which allows the players to feel for the right parts.
- The game contains a super-soft textile bag, which also carries the theme of the game.
- Great for parent-child play, but easy enough for children to play on their own.

GOLDEN POND

Set the fish up in the pond and try to fish out the ones that are carrying gold coins! The player who finds the most gold coins wins the game.

- Develops children's motor skills.
- There is a real sense of activity, as the players can really go fishing.
- Easy to learn, but it is fun to play again and again.
- The game parts are colourful and attractive.

BLUEBERRY FOREST

Take your pawn from the forest back to the cottage. On the way player collect three blueberries for the bear. The first to reach home first is the winner.

- Contains a simple strategy element, which is perfectly suited for the youngest players.
- There is a lovely wooden bear character and colourful, wooden dice in the game!
- The race from the forest to the cottage is very exciting!

MY BIG ALPHABET GAME

The players can learn the alphabet and practice forming words by performing simple tasks with this versatile game.

- The different tasks offer the players both physical and light intellectual activity.
- The players learn to identify different letters and to use them in words.
- The variety of tasks ensures that everyone can have a good time while learning at the same time!

MY FIRST TRIVIA GAME

The players are asked simple questions, and for each right answer they get to add an animal character to their collection bases. The first player to collect four animal characters wins the game!

- Contains extensive question material, which uses and opens up the child's own world of experience.
- Comes with great wooden game pieces and puzzle-like collection bases.
- Emphasises parent-child interaction.

LET'S LEARN THE EUROPEAN FLAGS

Try to place the flags of all European countries in the right spots. You will earn a coin for each flag you place correctly, and the player with the most coins at the end of the game is the winner.

- With this innovative game, finding the right country for each flag is easy, as the placing the flags is like putting together a puzzle.
- Makes it easy to also learn the names of the European countries.

Learn about forming words by placing letter tiles on the word boards! The game also contains three other games, which can be played using the letter tiles.

- The different difficulty levels make this game versatile and enduring.
- The picture material is especially designed for the youngest of players.
- The players can also make up other games using the letter tiles.

Turn over cards, which tell you to either look for a picture of a tile on their collection bases or move the clock's arms to new positions. The first player to fill their collection base with tiles wins the game.

- Uses familiar events during the day to teach the players about telling time.
- The simple rules make it easy for the players to learn more.
- Comes with a large and clear clock face with movable arms.

Perform simple number-related tasks and fill your board with tokens. When the board is full, check whether the picture on the other side is complete.

- The puzzle-like structure of the collection bases makes it easy to check the right answers.
- Full of tasks from different difficulty levels.
- The players can move from learning the numbers to doing simple addition and subtraction.

NEW

BUGSY

Throw the dice to find out your animal-colour combination, and try to find it among the tiles which are spread on the table. Once you find your tile, mark it for yourself and move closer to victory.

- Contains three different game versions.
- A fun game to test the players' reflexes.
- Comes with great, colourful game parts.

NEW

SLAMMY

Turn a card and find the tiles that match it on the table. Pick them up with your Slammy before all the other players and get points for each tile you managed to collect.

- Comes with great Slammy-bats.
- Simple and easy-to-learn scoring.
- Creates an exciting way to find the right tiles.

NEW

TWINNY

Find the same picture on two different cards and mark them with your token. The player who collects the most cards this way wins the game.

- The picture structure on the cards is nothing short of ingenious.
- Simple but addictive!
- Comes with large, colourful cards.

NEW

JUMPY

Turn the card and try to locate the right animal character on the game board – if there is one! You receive a card for each victory and the player with the most cards at the end of the game is the winner.

- Comes with large 3D animal characters.
- Tests the players' reflexes in a fun way.
- Great special cards can make the game more challenging.

NEW

GOOD NIGHT GAME

Work together to move four animal figurines from one end of the game board to the other, while completing tasks on the way. If all the animals are in their beds before the moon comes up, the players have won!

- The game board consists of three parts, with each section offering a different task.
- Comes with unique and adorable animal figurines.
- The co-op mechanic teaches children about working together.
- Features a unique story-telling element and contains a set of bedtime stories.

CHOCO

Take turns to click the pop-o-matic die, which tells you to look for a peanut or a cherry. You must take care, however, as there also a green bug ready to steal away your treats! The player with the most cherries and peanuts wins the game.

- The game parts are extremely durable and fun to play with.
- The green bug makes this game extra exciting.
- This fun variation on a memo game is a true classic – it has remained a favourite for 35 years!

HUNGRY MONSTERS

The objective of this game is to move around the game board and perform different tasks to collect food markers to fill your collection base. The first player to fill their collection base wins the game.

- Comes with customizable monster playing pieces and nearly 100 stickers!
- Entertaining and fast-paced, with lots of exciting twists.
- You don't just need luck, as there is also a light strategy element in the game.

40500

COLORFUL CATERpillARS

The caterpillars are placed on the game board, but the players must be careful to match the colour of the caterpillar to the colour on the game board. The first player to get rid of all their caterpillars is the winner.

- A unique strategy game for young children.
- Two different difficulty levels.
- Helps the players match colours and shapes.

PICTURE CAROUSEL

Picks up a picture of an animal and try to form the same picture on the carousel by turning the different levels. The first player to form their picture is the winner.

- The game is very exciting and full of unexpected turns.
- The game board has a unique 3D structure.
- Try your skills with two different difficulty levels.

I AM I DO

Pick up two cards – one tells you who you are and the other what you are doing. It's up to the other players to guess both right, and correct answers are rewarded with steps towards the finish square!

- -Everyone plays simultaneously, either acting or guessing.
- -Contains a fun task in which the player in turn must make the others laugh.
- -2 500 different combinations to act.
