# TACTIC GROUP

Tactic Group is an international, growing and successful group of companies. Our success story started in Finland in 1967 – our growth has been continuous and profitable ever since. Today, Tactic Group is one of the strongest, most productive and fastest-developing marketers of board game products in Europe.

Tactic Group's own distribution network ensures the use of in-house manufacturing and utilization of sustainable resources. We distribute our products to more than 70 countries all over the world, and are continuously looking for new partners and marketing channels. The wood and the cardboard originates from sustainable sources, and the vast majority of our games is produced in Finland, EU.

All stages of the manufacturing process are important when producing a successful game. The quality and the functionality of all games are essential to us, and the Scandinavian manufacturing ensures superior quality in all our products. Additionally, our production guarantees regular and punctual deliveries, and flexibility when needed.

In addition to our effective in-house manufacturing, the quality of our products is guaranteed by strong product development. As a result, interesting and innovative new products are introduced into all our game categories on an annual basis. We follow the latest trends, which gives us the possibility to produce exciting new games alongside well-known game classics. Our wide selection includes fun and entertaining products for players of all ages, from toddlers to adults.

We are very aware of our responsibility to provide products that are both safe and of a high standard. To us, quality and safety are of the utmost importance.

## Tactic's goal is to be number one in board games through...

- outstanding **price-quality** ratio in all our games
- the best possible **entertainment** for players of all ages
- fresh and exciting **new games** as well as well-chosen selection of **classic games**
- the right balance between elements of **luck and strategy** in our games
- creating the feeling of wanting to **play again and again**
