TACTIC GROUP

Tactic Group is an international, growing and successful group of companies. Our success story started in Finland in 1967 – our growth has been continuous and profitable ever since. Today, Tactic Group is one of the strongest, most productive and fastest-developing marketers of board game products in Europe.

Tactic Group's own distribution network ensures the use of in-house manufacturing and utilization of sustainable resources. We distribute our products to more than 40 countries all over the world, and are continuously looking for new partners and marketing channels. The wood and the cardboard originates from sustainable sources, and the vast majority of our games is produced in Finland, EU.

All stages of the manufacturing process are important when producing a successful game. The quality and the functionality of all our games are essential to us, and the Scandinavian manufacturing ensures superior quality in all our products. Additionally, our production guarantees regular and punctual deliveries, and flexibility when needed.

In addition to our effective in-house manufacturing, the quality of our products is guaranteed by strong product development. As a result, interesting and innovative new products are introduced into all our game categories on an annual basis. We follow the latest trends, which gives us the possibility to produce exciting new games alongside well-known game classics. Our wide selection includes fun and entertaining products for players of all ages, from toddlers to adults.

We are very aware of our responsibility to provide products that are both safe and of a high standard. To us, quality and safety are of the utmost importance.

Tactic's goal is to be number one in board games through...

- outstanding **price-quality** ratio in all our games
- the best possible **entertainment** for players of all ages
- fresh and exciting **new games** as well as well-chosen selection of **classic games**
- the right balance between elements of **luck and strategy** in games
- creating the feeling of wanting to **play again and again**

ALIAS

The best word game!

The Alias product family consists of games for kids, grown-ups, families and friends, but the core concept remains the same across the range – these games bring people together to have a great time. There's no test for one's vocabulary and imagination quite like a game of Alias: explain words from the cards to the other players and move forward for each correctly guessed word. Alias is one of the most beloved Tactic concepts, which is also evident in its sheer success.

The Alias product range caters to all ages and types of player. Young and old players alike enjoy the thrill of the game and the wordy fun! See below for the full range!

Junior Alias

There's no better way for children to expand their vocabulary than with Junior Alias. The picture cards are easy to explain from, but sand in the timer never stops running.

- Contains 300 illustrated word cards!
- Perfect for older children.
- Allows children to broaden their vocabulary in a really fun way.

Kubb

THE OUTDOOR DUEL OF THE VIKINGS!

Kubb is a popular outdoor game in which the object is to knock over wooden skittles by throwing sticks at them. Knock over the skittles and the King, but be careful – if you knock over the King before all the other skittles are down, your opponent wins. Kubb can be played either in teams or individually.
