# TACTIC GROUP

## TOY DISTRIBUTOR IN THE NORDIC

Tactic Group is one of the strongest, most productive and fastest-developing marketers of toys and board game products in Europe. Tactic Group's success story started in Finland in 1967 and our growth has been continuous ever since.

We stock the most popular toy brands as well as the hottest new licensed products. In our range you will find brands such as Ty, Bruder, Carrera, Geomag and much more. We provide entertainment, amusement and education in the form of toys.

As with our game products, we want the toys we represent to be of the highest quality. Green values

and safety are of utmost importance to us. We are very aware of our responsibility to provide products that are both safe and of a high standard.

We want children to grow up with the best possible playthings to help them develop not only their imagination but also their skills. We add new, exciting toys to our range every year. We are always on trend and our wide selection includes entertaining products for children of all ages.

We distribute our products to more than 40 countries all over the world. Through our distribution network, we can guarantee daily and punctual deliveries.

## V-Cube V-Classics

So innovative, that changed the world of cubes.

For over 30 years, the idea of creating a cube higher than 5 layers was just wishful thinking; a computer simulation on a screen. We made it happen! Our company designed, patented and created a superior range of cubes known for its overall quality and aesthetics.

The "V-Classics" includes 11 different six colored cubes in a flat or in our unique "pillow" shape! A unique range that cubers love to use and compete and shoppers love to collect and display!
