I Am, I Do

The hilarious charades game for the entire family. Can you imagine acting out Dracula brushing his teeth, or a frog cooking dinner? Each turn, players draw an "I am" card and an "I do" card from each pile. Then, the player rolls the dice to find out which character they are and what action they're doing. The player flips over the timer and tries to act out their often-hilarious "I Am, I Do" combination and get the other players to guess what they're trying to portray. If a player can get another player to guess their combination, that player and the player who guessed it correctly both get to move closer to the finish space, and VICTORY!

Every player is involved each turn and everyone has a chance to succeed in the game. To master iKNOW, players can't rely on their wit alone. After the players have determined how many clues they will need to answer a question, each player is required select another player and wager whether that player will be able to correctly answer the question. Even if you aren't the best trivia player at the game table, you can excel in an iKNOW game by using your bluffing skills to lead other players to the incorrect answer, or use your ability to read other players to determine if they will know the correct answer. Mölkky

#1 OUTDOOR GAME IN EUROPE!

Mölkky, the insanely addictive outdoor throwing game from Finland, has quickly become the #1 outdoor game in Europe! Mölkky can be played on grass, gravel, sand, dirt or any outdoor surface. All you need is an outdoor space, a few friends, and a Mölkky set. Groups of all sizes and ages can play together. The official Mölkky rules allow for up to 26 players per game, so invite all of your friends to play. Players earn points by tossing the throwing pin. If a player knocks down more than 1 pin, their score for that turn is the number of pins they knocked down (4 pins = 4 points). The pins are round and roll after they are knocked down. Each turn the pins are put back up exactly where they landed from the previous turn, so the entire playing area starts to spread out. If a player can skillfully knock down just one pin, their score for that turn equals the number on the top of the pin (knock down the #12 pin = 12 points). The first player to knock down exactly 50 points wins the game, but be careful not to go over 50 points, or you will go back to 25 points! Download the free Mölkky app available on the App Store and Google Play. Mölkky is 100% natural and ecologically friendly with wood that is sourced from 100% sustainable forests that have been awarded the PEFC certificate. Includes wooden carrying crate.
