**ALIAS GAMES**

The Alias product family consists of games for kids, grown-ups, families and friends, but the core concept remains the same across the range – these games bring people together to have a great time. There's no test for one's vocabulary and imagination quite like a game of Alias: explain words from the cards to the other players and move forward for each correctly guessed word. Alias is one of the most beloved Tactic concepts, which is also evident in its sheer success.

The Alias product range caters to all ages and types of player. Young and old players alike enjoy the thrill of the game and the wordy fun!

Junior Alias

Junior Alias is a great word association game for children! Quickly describe words and pictures to your teammates without saying the word that is being explained. Players or teams try to guess as many pictures as possible before the time runs out. This game is fast, frantic and funny! Junior Alias uses pictures and words to help young readers improve their vocabulary by connecting sight words with visual context clues. Junior Alias players build their vocabulary on the way to victory!

Alias

OVER 5 MILLION GAMES SOLD WORLDWIDE!

Alias is a word association game and the goal is to explain as many words as possible to your teammates without saying the actual word on the cards. The more words you guess correctly, the farther you get to move on the game board. Original Alias contains words from every thinkable category and difficulty level! Includes 3200 words and 400 cards!

Family Alias

TONGUE-TWISTING FAMILY FUN!

With two types of cards, Family Alias is equally challenging to both children and grown-ups. Spin the spinner to see whom your partner will be for that round, and start to explain the words on your cards! For the grown-ups there are special cards that make the game even more hilarious and challenging! For example, they might have to cluck like a chicken, dance, or sing while giving their clues.

Dice Alias

LET THE WORDS ROLL OFF YOUR TONGUE!

Dice Alias is based on our extremely successful Alias line of games! Players use the 8 letter dice to identify words as quickly as possible. As soon as a player sees a word among the dice, they shout out ALIAS and start giving clues to the other player about their word, without saying any part of the word they have identified. Game play is fun, fast and exciting and the number of words is practically infinite!

Party Alias

SPICE UP YOUR PARTIES WITH PARTY ALIAS!

Women vs. Men Alias

In this game, you can only win if you know how the opposite sex thinks. The players are divided into two teams, Women vs. Men. Players attempt to describe words typically associated with the opposite sex to their teammates. The fact that the 3,200 words are assigned by gender instantly makes this game politically incorrect... and that's part of the fun. Intentionally sexist, this is an outrageously fun version of the classic Alias game!

Each player takes a turn as the COLORologist and draws a word card and chooses the color they think best describes the word. How many of the other players will choose the same color for the word? Any player that matches the same color as the COLORologist moves forward one space. The first player to reach the finish space wins the game.

Test your spatial recognition skills. Try to get rid of all your tiles by matching the tiles in play. Game play takes the fun of dominoes and provides a new challenge using colors to create matches. Unlike traditional dominoes where players draw tiles when they can't make a play, X-Tiles was designed so that players will always be able to play a matching tile. If a player can place a tile and match the color on both adjacent tiles, they get to play another tile. Be the first player to get rid of all of your tiles and win! iKNOW

Tactic is pleased to present iKNOW. A trivia game that is not dominated by one know-it-all. Every player is involved each turn and everyone has a chance to succeed in the game. To master iKNOW, players can't rely on their wit alone. Players need to carefully balance their knowledge about the different game categories with how well they know the other players. iKNOW offers players a unique game experience. Each clue leads the players step-by-step to the correct answer. iKNOW's two-pronged game mechanic makes it possible for everyone to succeed, even without being a trivia master.

During each turn, all players answer the same question and have the opportunity to earn points. Before any clues are read, players must determine if they will need 1-3 clues to successfully answer the question. What sets iKnow apart from other trivia games is the unique wagering element. After the players have determined how many clues they will need to answer a question, each player is required to select another player and wager whether that player will be able to correctly answer the question. Even if you aren't the best trivia player at the game table, you can excel in an iKNOW game by using your bluffing skills to lead other players to the incorrect answer, or use your ability to read other players to determine if they will know the correct answer. To win, be the first player to accumulate 20 points.

- iKNOW is all about:**

 - How well you know your friends

Mölkky Original

Mölkky has quickly become Europe's #1 outdoor game! Mölkky can be played on grass, gravel, sand, dirt or any outdoor surface. Groups of all sizes and ages can play together. Players earn points by tossing the throwing pin. If a player knocks down more than 1 pin, their score for that turn equals the number of pins they knocked down (4 pins = 4 points). After each turn the pins are put back up exactly where they landed from the previous turn, so the entire playing area starts to spread out. If a player can skillfully knock down just one pin, their score for that turn equals the number on the top of the pin (knock down the #12 pin = 12 points). The first player to knock down exactly 50 points wins the game, but be careful not to go over 50 points, or you will go back to 25 points! Download the free Mölkky app available on the App Store and Google Play. Mölkky is 100% natural and ecologically friendly with wood that is sourced from 100% sustainable forests.
