Tactic Group

Tactic Group is an international, growing and successful group of companies, based in Pori, Finland.

Our story began in 1967 with the Kimble board game, which was first manufactured in a small garage. Year by year, the success of Kimble grew – and so did the company itself. Over the course of a half a century, Tactic Games has moved from those humble beginnings to become one of the largest game companies in Europe.

In 2018, we distribute our products to more than 80 countries all over the world. The vast majority of our games are manufactured in Finland, in the EU, and our own product development unit and in-house production facilities guarantee a creative process which is both innovative and flexible. Through our distribution network, we can guarantee regular and punctual deliveries.

Each year, we add new, exciting games to all our product categories. However, our overall goal has remained the same throughout the company's 50-year history.

With Tactic Games you will always find:

- outstanding **price-quality** ratio
- **entertainment** for all ages
- fresh and exciting **new game** ideas as well as much-loved classics
- just the right balance between **luck and strategy**
- games you want to play **again and again**

ALIAS GAMES

The Alias product family consists of games for kids, grown-ups, families and friends, but the core concept remains the same across the range – these games bring people together to have a great time. There's no test for one's vocabulary and imagination quite like a game of Alias: explain words from the cards to the other players and move forward for each correctly guessed word. Alias is one of the most beloved Tactic concepts, which is also evident in its sheer success.

The Alias product range caters to all ages and types of player. Young and old players alike enjoy the thrill of the game and the wordy fun!

Family Alias 53133

Family Alias (FR) 53190

TONGUE-TWISTING FAMILY FUN!

With two types of cards, Family Alias is equally challenging to both children and grown-ups. Spin the spinner to see whom your partner will be for that round, and start to explain the words on your cards! For the grown-ups there are special cards that make the game even more hilarious and challenging! For example, they might have to cluck like a chicken, dance, or sing while giving their clues.

Dice Alias 41300

Dice Alias (FR) 41299

LET THE WORDS ROLL OFF YOUR TONGUE!

Dice Alias is based on our extremely successful Alias line of games! Players use the 8 letter dice to identify words as quickly as possible. As soon as a player sees a word among the dice, they shout out ALIAS and start giving clues to the other player about their word, without saying any part of the word they have identified. Game play is fun, fast and exciting and the number of words is practically infinite!

Party Alias 41102

Party Alias (FR) 53203

Women vs. Men Alias

In this game, you can only win if you know how the opposite sex thinks. The players are divided into two teams, Women vs. Men. Players attempt to describe words typically associated with the opposite sex to their teammates. The fact that the 2,400 words are assigned by gender instantly makes this game politically incorrect...and that's part of the fun. Intentionally sexist, this is an outrageously fun version of the classic Alias game!

COLORology

When you hear the word frozen do you think of the color blue, white or grey? Is Christmas red, white, or green? How does the color you think of change if words are combined, such as frozen Christmas? Each player takes a turn as the COLORologist and draws a word card and chooses the color they think best describes the word. How many of the other players will choose the same color for the word? Any player that matches the same color as the COLORologist moves forward one space. The first player to reach the finish space wins the game.

iKNOW 52658

iKNOW International 40640

iKNOW (FR) 40663

Tactic is pleased to present iKNOW. A trivia game that is not dominated by one know-it-all. Every player is involved each turn and everyone has a chance to succeed in the game. To master iKNOW, players can't rely on their wit alone. Players need to carefully balance their knowledge about the different game categories with how well they know the other players. iKNOW offers players a unique game experience. Each clue leads the players step-by-step to the correct answer. iKNOW's two-pronged game mechanic makes it possible for everyone to succeed, even without being a trivia master.

During each turn, all players answer the same question and have the opportunity to earn points. Before any clues are read, players must determine if they will need 1-3 clues to successfully answer the question. What sets iKNOW apart from other trivia games is the unique wagering element. After the players have determined how many clues they will need to answer a question, each player is required to select another player and wager whether that player will be able to correctly answer the question. Even if you aren't the best trivia player at the game table, you can excel in an iKNOW game by using your bluffing skills to lead other players to the incorrect answer, or use your ability to read other players to determine if they will know the correct answer. To win, be the first player to accumulate 20 points.

Mölkky Original

Mölkky has quickly become Europe's #1 outdoor game! Mölkky can be played on grass, gravel, sand, dirt or any outdoor surface. Groups of all sizes and ages can play together. Players earn points by tossing the throwing pin. If a player knocks down more than 1 pin, their score for that turn equals the number of pins they knocked down (4 pins = 4 points). After each turn the pins are put back up exactly where they landed from the previous turn, so the entire playing area starts to spread out. If a player can skillfully knock down just one pin, their score for that turn equals the number on the top of the pin (knock down the #12 pin = 12 points). The first player to knock down exactly 50 points wins the game, but be careful not to go over 50 points, or you will go back to 25 points! Download the free Mölkky app available on the App Store and Google Play. Mölkky is 100% natural and ecologically friendly with wood that is sourced from 100% sustainable forests.
