Gamestorm Studio is an innovative product development team producing games, toys and other leisure activities.

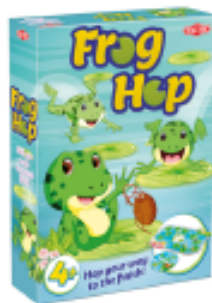

Gamestorm Studio is developing high quality games with the following elements: interesting theme, fine graphical implementation, challenging but not too difficult gameplay, high quality materials, possibility to make further versions of the basic game.

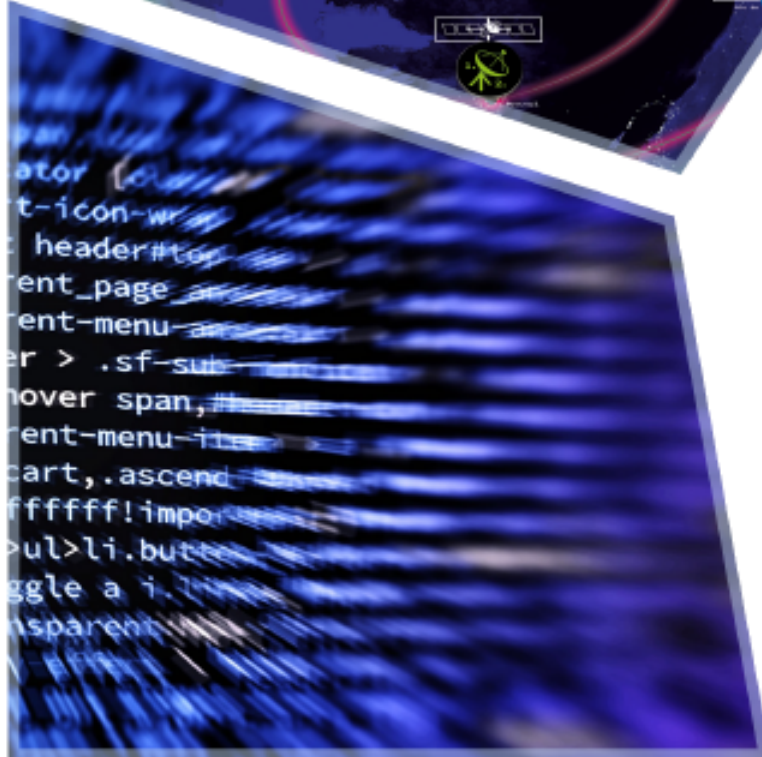

CHILDREN'S GAMES

The Gamestorm children's games all have high quality components, illustrations and gameplay. They are very tactile with wooden components, 3D structures and physical action. All the games can be enjoyed by younger and older children alike, as well as by their parents!

HACK MY PASSWORD

Step into the shoes of a hacker.
Try to break through your
opponent's firewall and decode their
password before they manage to hack
you! The first player to hack their
opponent's password or reach the
finish line wins!

15 MINUTES TO SELF-DESTRUCT

An asteroid has damaged the spaceship and set the computer on self-destruct mode. You have 15 minutes to activate the escape pod before the spaceship blows up! Work together with other players in an exciting race against the clock. Will you be able to escape before it's too late?

LAND OF CLANS

You are one of the clan chiefs, conquering land in the Scottish Highlands! Build your own castle by seizing the spaces on the board. You can also attack your opponent's castle, if you think you have enough power to break their defence. First player to own four castles wins.

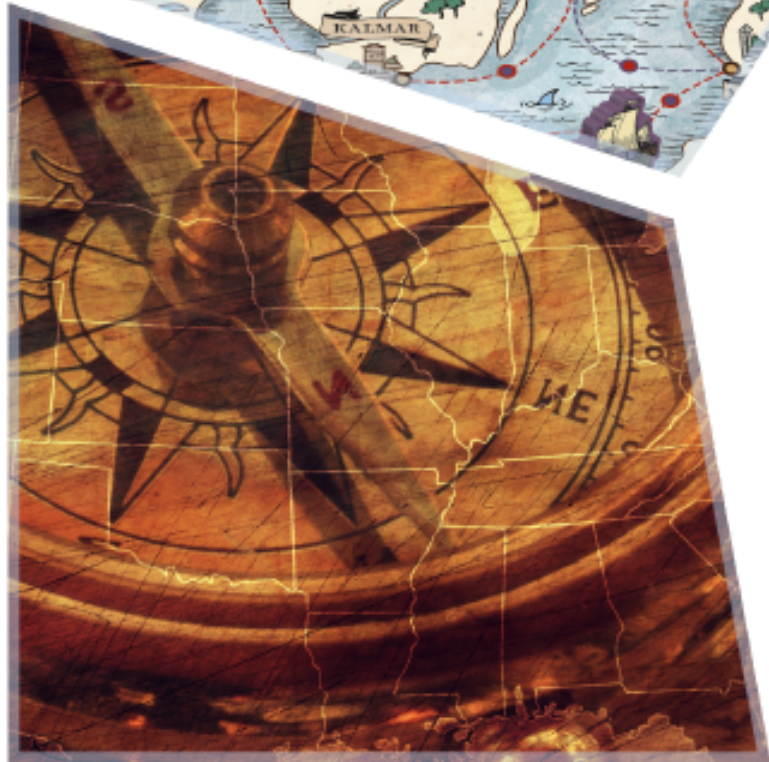

CANAL KING

This entertaining strategy game takes you to Brugge, Belgium. Use canal tiles to build a route connecting your starting port to your final destination via two ports of call. Once the route is ready, hop on your ship and try to reach your finish line first before the others beat you to it.

SEAS OF FORTUNE

You are a 16th century ship owner sailing from port to port in the Baltic and North Sea! Can you get the best crews, the best goods and the best deals before the others? The first player to earn 100 gold coins wins the game!

SLINGSHOT TO MARS

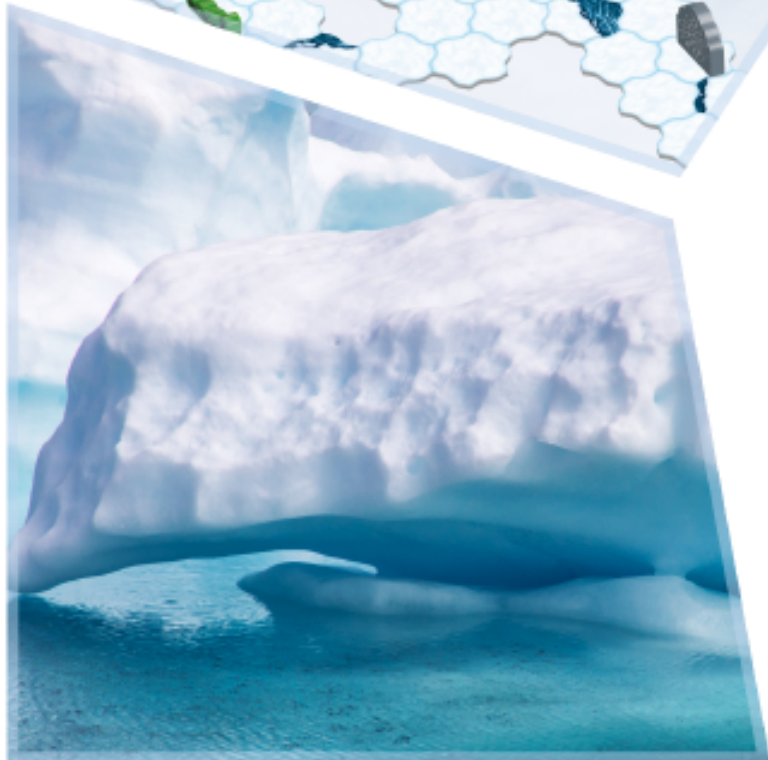

You are one of the top pilots of the 22nd century! Take part in a galactic adventure and mine valuable minerals on Mars and its moon Phobos. Launch your spaceship into orbit in order to find the best mining spots and use your ship upgrades to gain advantages. Fly better than the others to win!

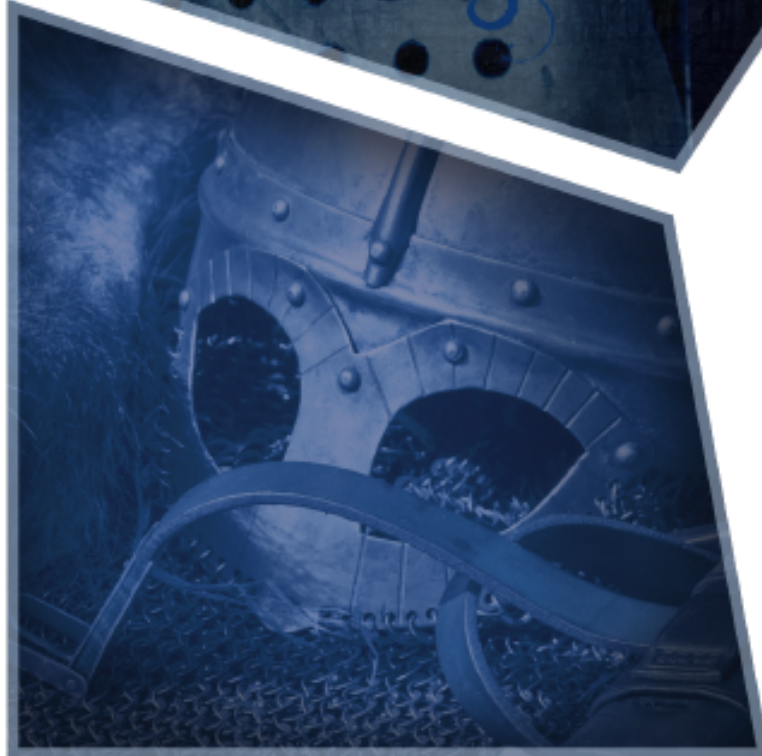

ARCTIC RACE

Try to lead your two dog sled teams to the North Pole first in this snowy and exciting adventure! Your journey is perilous and you can encounter blizzards, fogs and moving ice on the way. Strategize wisely in order to beat the others in this thrilling race!

THE LEGEND TRILOGY

These games are based on the old Finnish myths of Heroes in the North. They form a trilogy with an evolving story and compelling gameplay with a co-operative nature. Once you draw your sword, your warrior heart will be with Kalevala for always!

Coming to Kickstarter 2020.
