**LET THE WORDS ROLL OFF YOUR TONGUE!**

Dice Alias is based on our extremely successful Alias line of games! Players use the 8 letter dice to identify words as quickly as possible. As soon as a player sees a word among the dice, they shout out ALIAS and start giving clues to the other player about their word, without saying any part of the word they have identified. Game play is fun, fast and exciting and the number of words is practically infinite!

**Women vs. Men Alias**

In this game, you can only win if you know how the opposite sex thinks. The players are divided into two teams, Women vs. Men. Players attempt to describe words typically associated with the opposite sex to their teammates. The fact that the 2,400 words are assigned by gender instantly makes this game politically incorrect...and that's part of the fun. Intentionally sexist, this is an outrageously fun version of the classic Alias game!

Tactic is pleased to present iKNOW. A trivia game that is not dominated by one know-it-all. Every player is involved each turn and everyone has a chance to succeed in the game. To master iKNOW, players can't rely on their wit alone. Players need to carefully balance their knowledge about the different game categories with how well they know the other players. iKNOW offers players a unique game experience. Each clue leads the players step-by-step to the correct answer. iKNOW's two-pronged game mechanic makes it possible for everyone to succeed, even without being a trivia master.

During each turn, all players answer the same question and have the opportunity to earn points. Before any clues are read, players must determine if they will need 1-3 clues to successfully answer the question. What sets iKNOW apart from other trivia games is the unique wagering element. After the players have determined how many clues they will need to answer a question, each player is required to select another player and wager whether that player will be able to correctly answer the question. Even if you aren't the best trivia player at the game table, you can excel in an iKNOW game by using your bluffing skills to lead other players to the incorrect answer, or use your ability to read other players to determine if they will know the correct answer. To win, be the first player to accumulate 20 points.

- iKNOW is all about:**
- What you know
  - What you think the other players know
  - How well you know your friends

**iKNOW Hit List**

Name as many of the items on the Hit List as you can to score points. For example, there have been over 20 James Bond Films, but each iKNOW Hit List card only lists 8 answers on the Hit List. Players try to predict how many correct answers from the Hit List each player can name. Hit List subjects cover a large variety of topics. Correctly guess how many answers the other players will identify to gain bonus points. Features a handy score-keeping device. 53958

**iKNOW All In**

When it comes to trivia games, iKNOW always offers that little bit more. Score points by betting on the other players' success! Make the right bet and you'll score even if the other player doesn't know the right answer. With over 550 entertaining questions, iKNOW All In keeps players on their toes until the very end! Make your bet and go All In! 53949

### Mölkky Original

Mölkky has quickly become Europe's #1 outdoor game! Mölkky can be played on grass, gravel, sand, dirt or any outdoor surface. Groups of all sizes and ages can play together. Players earn points by tossing the throwing pin. If a player knocks down more than 1 pin, their score for that turn equals the number of pins they knocked down (4 pins = 4 points). After each turn the pins are put back up exactly where they landed from the previous turn, so the entire playing area starts to spread out. If a player can skillfully knock down just one pin, their score for that turn equals the number on the top of the pin (knock down the #12 pin = 12 points). The first player to knock down exactly 50 points wins the game, but be careful not to go over 50 points, or you will go back to 25 points! Download the free Mölkky app available on the App Store and Google Play. Mölkky is 100% natural and ecologically friendly with wood that is sourced from 100% sustainable forests.
