Play for the Planet!

Green Toys makes safe, earth-friendly playthings for kids. By creating products made free of harm to children and the planet, we nurture young minds and bright futures. Let's play!

Safe, Recycled Materials

We make our toys with 100% recycled plastic - primarily milk jugs! They are collected, cleaned, reprocessed into our raw material, and mixed with food-safe, mineral-based colors. All of our products meet or exceed US and international toy safety standards.

Made in the USA

Child Development

We're committed to creating the best products possible for kids and families. Each and every one of our products is evaluated by experts for its developmental benefits – from motor skills to communication to cooperative and helping behaviors – so you can pick the perfect one every time.
