

A group of six plush toys are arranged on a blue fabric surface with a small white pattern. From left to right, there is a light brown monkey, a purple monkey, an orange monkey, a white monkey, a teal monkey, and a white panda with black facial markings. The background is a light blue wall with a floral pattern of pink and white blossoms and green leaves. The text 'Save the Nature' is overlaid in the center in a large, white, serif font.

Save the Nature

A completely new series of plush toys made of 100% recycled materials. Teach your child good values through play from an early age.

Save the Nature plushies are comforting, playmates, their soft and high-quality fur is suitable for a child. So cute, playful and soft.
