

EGG AMIGOS

Next Easter, get ready for a magical surprise that combines the joy of the season and commitment to the environment. Our new "Save the Nature" Egg Amigos are here to delight both children and parents, offering a unique and sustainable alternative to traditional Easter treats.

A MAGICAL TRANSFORMATION

Designed to look like colorful Easter eggs on store shelves, these plush toys have a delightful secret.

Made of soft, high quality **RPET recycled fabric**, the egg is not only soft and lively, but also turns.

With a simple turn, the egg turns into a charming chick or a cuddly bunny, bringing an element of surprise and wonder to your child's Easter party.
