

2024

Once upon a time... It all began as a fairy tale created by Kati Heljakka, Doctor of Arts, who is also one of the owners of Tactic Games.

The fairy tale Lumo Stars was inspired by Nordic nature and mythologies, such as Kalevala, the wild stories of Vikings as well as Islandic sagas. The first storybook in this series saw daylight in April 2017.

Ms. Heljakka continues her writing work with the second instalment of the Lumo Stars series and plans to publish a graphic novel created with awarded illustrators.
