TACTIC IS THE MOST ECOLOGICAL GAME DEVELOPER IN THE NORDICS!

We put our hearts into developing our games in Finland.

The core principles of our business have remained the same from the early days until now. We still aim to deliver **families** and **groups of friends** those **shared moments** that leave behind **lasting, cherished memories**. We are constantly working hard to ensure that we can continue to develop great Finnish games and toys via responsible methods.

Spending quality time with our loved ones is more important nowadays than perhaps ever before. That is why **responsibility, ethical concerns, and eco-friendliness** are the building blocks of our production process.

We are Finnish and that is important to us. We take pride in the fact that our games are and will continue to be developed in Finland, and that most of our products are Finnish. Our products bear either the **Key Flag Symbol** or the **Designed in Finland symbol**.

Let's learn Traffic Game

Learn to navigate traffic safely in a fun race! Who will win the coveted trophy of the most skilled road user? Use your steps wisely and answer traffic-related questions correctly. You can also move the traffic signs, making each game round different and exciting.

- A unique and engaging way for children to learn essential traffic rules.
- Stands out for its quality and attention to detail. The game not only provides educational content but is also a testament to the high standards of Finnish craftsmanship.
- Emphasizing environmental responsibility, "Let's Learn Traffic" sets itself apart by using high-quality, eco-friendly materials. The game is produced without plastic packaging.

TACTIC IS

RESPONSIBLE

We are a responsible family business. Ecological values and sustainability define our products as well as our development chain.

We are always looking for new ways to make our products even more ecological and sustainable. We have been awarded the FSC certificate, which guarantees that the cardboard and carton used in our products comes from sustainable forests. Our wood products have been awarded the PEFC certificate.

POSITIVE

Our message is that gaming is a joy. Millions of families and friends all around the world gather together to play our games and enjoy quality time as one.

SOCIAL

Nothing beats a shared gaming experience. Board games develop the thinking skills, memory, and strategic skills of children as well as adults – and keep us away from our screens!

ENTERTAINING

Our main goal is to make entertaining games. We know we have succeeded when our games are played round after round, from one generation to the next.

HONEST

Finnish determination and integrity guide our actions in relation to both our customers and our partners. We play hard but fair.
