TACTIC IS

RESPONSIBLE

We are a responsible family business. Ecological values and sustainability define our products as well as our development chain.

We are always looking for new ways to make our products even more ecological and sustainable. We have been awarded the FSC certificate, which guarantees that the cardboard and carton used in our products comes from sustainable forests. Our wood products have been awarded the PEFC certificate.

POSITIVE

Our message is that gaming is a joy. Millions of families and friends all around the world gather together to play our games and enjoy quality time as one.

SOCIAL

Nothing beats a shared gaming experience. Board games develop the thinking skills, memory, and strategic skills of children as well as adults – and keep us away from our screens!

ENTERTAINING

Our main goal is to make entertaining games. We know we have succeeded when our games are played round after round, from one generation to the next.

HONEST

Finnish determination and integrity guide our actions in relation to both our customers and our partners. We play hard but fair.
